

One for One resources have been created to support local Hawke's Bay Event Managers to deliver on their host responsibility by promoting one glass of water for one alcoholic drink.

We have a range of free resources and equipment for hire including tear drop flags, canvas banners, posters and large screen visuals. Find out more about resources and merchandise we have to help you.

These resources are available at no cost – first in, first served.

Please complete your details and equipment order and return to resources@hbdhb.govt.nz
